

Dear Parents/Carers,

We are delighted to offer your child a place at The Links Nursery.

We look forward to meeting you at the Parents welcome session on _____ and we hope that your child will be very happy at The Links Nursery. Soon after your child's third birthday they will be invited to an hour-long session, here they will experience the nursery environment, meet staff and nursery peers and engage in nursery activities.

Hopefully your child will settle well and enjoy the experience. This being the case, they will start the following Monday. In some cases, where children are particularly distressed or unsettled, further induction visits may be necessary.

If you require further information please do not hesitate to call Main Office on (01642 785950)

I will/will not attend the Parent Information Session in September

Child's name

Time and date of child's independent visit (child only)

Official start date

Kind regards,

Mrs A Tyerman & Mrs R Jones
