In addition, we believe that an innovative and varied PE curriculum and extra-curricular opportunities have a positive influence on the concentration, attitude and academic achievement of all children. The funding has been provided to ensure impact and to achieve self-sustaining improvement in the high quality of PE and sports in The Links Primary School.

Intended outcomes and sustainability:

The Governors and staff at The Links Primary School are committed to ensuring that the Sports Premium funding has a measurable and lasting impact on the quality of PE & sports, play opportunities and extra-curricular activities
