

Reception Reading Spine

'Books and doors are the same thing. You open them, and you go through into another world.' – Jeanette Winterson

The books we recommend for each of our year groups might be a level that the children can read themselves, or it may be suitable for sharing with an adult. We have chosen this list of books so that we have many genres of stories that are representative of our culture and of others. This is, by no means, an extensive list of books, poetry and nursery rhymes that will be shared with the children, but these texts will be used as a stimulus for exploring in all areas of learning and development.
